Scelo Khoza

Experienced Full Stack Software Developer with a strong focus on backend development and self-taught expertise in network security and penetration testing. Passionate about building secure systems and I want to deepen my understanding of data protection over networks. I also have hands-on experience with machine learning.

Education

Bsc with chemistry and computer science, North West University

January 2022 - September 2023

Not complete the degree

NQ5, WeThinkCode_

September 2023 - January 2025

Software Development

Volunteering

Bootcamp Mentor & Reviewer, WeThinkCode_

June 2024 - August 2024

I was tasked to mentor bootcampers during their journey at WeThinkCode_ and also reviewing them later on.
